

H1N1 Information for Students and Employees

Update # 3

E-mailed: October 15, 2009

Representatives from the Virginia Department of Health will be on both campuses to discuss the H1N1 virus. The presentations will include an overview of H1N1 history, signs and symptoms of H1N1, the current status of H1N1 in our community, what is being done to address H1N1 by the health department, what individuals can do to protect themselves and others, and information about the H1N1 vaccine and who should consider getting vaccinated. There will be an opportunity to ask questions at the end of the presentation.

The presentations are open to JTCC students and personnel.

October 22, Chester Campus, B124, 12:00pm-1:00pm

October 26, Midlothian Campus, C109, 12:00pm-1:00pm
