### Art of Learning Tent Hands-On Activities

- ◆ Go international and explore the culture, history and geography of countries like Ghana, Italy, Peru, England and Greece in the “Where in the World Are We Going?” booth.
- ◆ Design your own character mask, and then let it inspire you to create a story for your character.

- ◆ Paint your own temporary tattoo inspired by *Rule Britannia!* with the Virginia Museum of Fine Arts.
- ◆ Construct your own paper airplanes, and then test them for distance and flight time.
