THE *Giving*
TREE

JOHN TYLER COMMUNITY
COLLEGE FOUNDATION

The John Tyler Community College Foundation invites you to celebrate the College's deep roots in the community by becoming part of the Giving Tree, an exciting new way to publicly recognize donors who are committed to sustaining the work of John Tyler Community College.

The program features *two* trees designed by the College's talented art students and created in conjunction with professors of precision machining technology and welding. The trees, standing more than seven feet tall, branching out more than seven feet wide, and featuring customized leaves of different colors, will "grow" in the new Science Building on the Midlothian Campus and in the Nicholas Student Center on the Chester Campus.

Your generous gifts to the Giving Tree support the John Tyler Community College Annual Fund. The Annual Fund provides scholarships to deserving students and supports faculty development, academic programs and up-to-date technology and equipment.

Adding a leaf to the Giving Tree is a lasting way to recognize students, alumni and friends. Leaves can also celebrate a milestone, pay tribute or memorialize a loved one. With a single gift, you, your family or your business can enjoy a personalized message on your leaf/leaves prominently and permanently showcased at John Tyler Community College.

It's easy! Order your leaf now by filling in the appropriate boxes below. Your contribution will help sustain the good work of John Tyler Community College for current and future generations.

Each leaf can accommodate 62 characters (including punctuation and spaces) on up to three lines. Please choose your leaf and fill in your desired text below.*

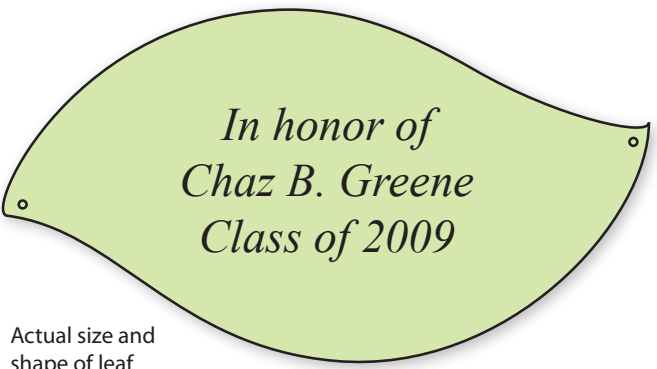

Copper Leaf - \$50 **Bronze Leaf - \$100**
 Please select your campus location:
 Chester Midlothian

 Silver Leaf - \$250 **Gold Leaf - \$500**
 Silver and Gold Leaf donors automatically enjoy a leaf on each campus - Chester and Midlothian.

First Line (18 characters)
