

# Scholarship Opportunities at John Tyler!

## FOR AMELIA, DINWIDDIE AND SUSSEX COUNTY RESIDENTS

With support from the Tobacco Region Revitalization Commission, John Tyler Community College Foundation offers scholarships for Amelia, Dinwiddie, and Sussex County students enrolled in STEM-H certificate or degree programs.

**NEW THIS YEAR:** Apply Online! Students who meet certain qualifications may receive a scholarship that pays for tuition and fees not covered by financial aid.

### What Is STEM-H?

STEM-H stands for Science, Technology, Engineering, Mathematics, and Health Care. Visit [www.jtcc.edu/stem](http://www.jtcc.edu/stem) for a list of Tyler's STEM-H majors.

### How Can I Apply?

Visit [www.jtcc.edu/scholarships](http://www.jtcc.edu/scholarships) after May 1, 2017 to complete the online application. Students who have already submitted a JTCC Foundation scholarship application this year need not apply again.

### What Are The Requirements?

To be considered for a Tobacco Region Scholarship, current and prospective students must:

- Reside in Amelia, Dinwiddie, or Sussex County
- Complete a 2017-2018 Free Application for Federal Student Aid (FAFSA)
- Enroll in a STEM-H certificate or degree program at John Tyler
- Submit an online scholarship application

Please Note: Priority is given to full-time students who are within one year of completing their credential at John Tyler. All scholarship awards are subject to available funding.

### Application Deadline?

All applications must be received by June 1, 2017.

For more information, visit [www.jtcc.edu/scholarships](http://www.jtcc.edu/scholarships).
