[IMPORTANT] Grade Survey
Jodi Scala (She/Her)
All Sections

Due to the Covid-19 crisis, for the spring 2020 semester only, students will receive a grade of P+, P-, W, or WC unless the student requests to receive a traditional letter grade of A, B, C, D, or F. There are many reasons why you may wish to select one option versus the other. Please refer to the full emergency grading policy for spring 2020 for more details. Please respond to the Grade Survey indicating how you would like your grade in this class reported. Students failing to respond to the survey will receive a P+, P-, or W for their final course grade. This will be how your grade is displayed on your JTCC transcript.

NOTE: The grade choice survey must be completed for each credit course you are taking during spring 2020 prior to submitting the final graded course assessment for each class. Incomplete grade contracts must be submitted and approved before final grades are submitted. This survey may only be completed one time per course, and the decision is irrevocable.
