The following are requirements for HDET students. Please acknowledge that you understand these requirements.

Requirement	Initials
1. The theory portion of each course is delivered via online format, in both synchronous and asynchronous delivery methods, and I will be required to purchase an iPad and have access to a computer with reliable internet.	
2. I understand that all tests in all courses are proctored in the Nursing Education Center, and I am expected to be present at the date and time scheduled by course faculty.	
3. The clinical component of each course is face-to-face, and students are expected to attend all clinical sessions in the labs and/or in community health-care agencies.	
4. Clinical experiences may be held during day, evening or weekend hours, and no student is guaranteed any clinical hours or clinical facility placement.	
5. I understand I am required to have an iPad and working personal computer with at least a high speed processor, dependable internet access, a headset microphone with inline mute function, and a web camera and other software and/or hardware compatible with online course delivery methods.	
6. I understand that successful hybrid students are independent, self-directed learners, yet are able to work in small groups as required.	
7. I understand that working over 20 hours per week is not conducive to success in the Nursing Program.	
8. I understand that employment or other outside commitments are not excuses to miss clinicals or fail to complete assignments in a timely manner. Per course syllabi, I am held accountable for all work for class or clinicals.	
9. I understand that the Nursing Program will not make any special arrangements under any circumstances with individual students for missed assignments or clinicals other than what is described in course syllabi.	

READ and INITIAL: I have applied to both tracks, and the hybrid program is my first / second choice. **Initial** _____
I have only applied to one track. **Initial** _____

READ and Initial: Criminal Background Check Statement--A criminal background check and drug screening are required for admission to the Nursing Program as required by our clinical affiliates. If you have a criminal conviction you should contact www.certifiedbackground.com to determine if your conviction will prevent you from enrolling in this program. **Initial** _____

READ and Initial: Student Accommodations Statement--The Nursing Program is committed to the policies set forth by JTCC regarding disabilities and reasonable accommodations. If you require special services or accommodations, you should contact the JTCC disability support services counselor on either campus for an appointment at least 2 weeks prior to the beginning of classes if you are accepted into the Nursing Program. Your success is contingent upon your ability to fulfill the core competencies of the program. You are responsible for compliance with the functional abilities policy in the Nursing Student Handbook. **Initial** _____

I certify under penalty of disciplinary action up to and including withdrawal from the Nursing Program, that all of the information is complete and accurate. I agree to supply the Nursing Program with supporting documentation related to my application, if I am requested to do so.
