### NOTES:

- Students must obtain a grade of "C" or better in the human services sequence courses (HMS 100, MEN 101 and MEN 102) in order to remain in the program.
- This program is in compliance with State of Virginia requirements for Adult Home Administration.
- MEN 190 and MEN 196 are requisites and must be taken in the same semester. All students who plan to pursue a degree or certification in Human Services are required to complete a 100 hour internship. Students will secure their own internship sites prior to the start of their MEN 190 and MEN 196 classes or their MEN 290 and MEN 296 classes. All internships must be approved by the Human Services and Mental Health Program chair.
- Students who are convicted felons or are on the sex offender registry in any state will not be able to secure internship sites. Students who are 18 years of age or younger may not be able to secure an internship. Should students be unable to secure an internship because of the above reasons, they will be unable to complete the requirements of this certificate and therefore be unable to graduate.
- Students should regularly meet with their faculty advisor and check their advisement report in MyTyler – SIS.
- Courses noted as Fall only or Spring only are based on historical trends and current planning and may change without notice.
