

GENERAL STUDIES, TEACHER EDUCATION SPECIALIZATION ELEMENTARY (K-6) Associate of Science (AS)

Advising Sheet – Suggested Course Sequence

Student Name _____

Faculty Advisor _____

REQUIRED COURSES	CR.		PRE-REQUISITE COURSES	APPROVED COURSE SUBSTITUTIONS	TERM THAT I PLAN TO TAKE OR V TAKEN
SDV 101 Orientation to Future Teachers	1			SDV 100	
ENG 111 College Composition I	3		See Placement Test Scores		
ENG 112 College Composition II	3		ENG 111		
ENG 241 Survey of American Literature I	3		ENG 112	ENG 242, ENG 243, ENG 244, ENG 251, ENG 252	
MTH 170 Foundations in Contemporary Mathematics or MTH 163 Precalculus I	3		See Placement Test Scores	See Note 3	
MTH 157 Elementary Statistics	3		See Placement Test Scores	MTH 164	
ART 101 History and Appreciation of Art	3			ART 102, MUS 121, MUS 122	
BIO 101 General Biology I	4			See Note 6	
CST 100 Principles of Public Speaking	3				
ECO 201 Principles of Economics I: Macroeconomics	3			See Note 5	
EDU 200 Introduction to Teaching as a Profession	3		24 credits of transfer courses		
GEO 210 People and the Land: Cultural Geography	3				
Health/Physical Education Elective	1			HLT 116, PED 116	
HIS 112 History of World Civilization II	3			HIS 102, HIS 111. See Note 4	
HIS 121 United States History I	3				
HIS 122 United States History II	3			See Note 4	
Humanities Elective	3			REL 230, REL 237. See Note 7	
ITE 115 Introduction to Computer Applications and Concepts	3			ITE 200. See Note 2	
PHY 101 Introduction to Physics I	4			See Note 6	
PLS 135 American National Politics	3				
Social/Behavioral Science Elective	3			See Note 8	
Total Minimum Credits to Complete	61				

- NOTES**
- Students are strongly encouraged to complete their SDV, ENG, and MTH requirements first.
 - Students transferring to Virginia State University should take ITE 200. The computer literacy requirement also can be satisfied by other information technology courses and CLEP examinations.
 - Students pursuing non-STEM majors (i.e. liberal arts, social sciences, communication, etc.) should take MTH 157 and MTH 170. Please note that students must consult with an advisor since math requirements of different majors vary by program and transfer institution.
 - It is recommended that the HIS requirement include American history and world history. Students should consult with prospective four-year institutions.
 - ECO 120 may be used as a standard course option for some colleges and universities. Please consult with your transfer institution.
 - Two different science disciplines are recommended and are even required at some transfer institutions.

7. Some transfer institutions require foreign language, some do not. Degree requirements include a conceptual humanities course (i.e., literature, philosophy, religion) that offers breadth of knowledge, therefore the elective requirement may be satisfied by completing an approved conceptual or applied humanities course. See web site (www.jtcc.edu/humanitiesselectives) for a list of approved conceptual and applied humanities electives.
8. The social/behavioral sciences elective requirements can be satisfied by courses with the following prefixes: PSY (except PSY 100), SOC, ECO, GEO, PLS and HIS.
9. Students should regularly meet with their faculty advisor and check their advisement report in MyTyler – SIS.
10. Courses noted as Fall only or Spring only are based on historical trends and current planning and may change without notice.

For more information on this major, contact the Division of Engineering, Business and Public Services. 804.706.5121 (Chester Campus, Godwin Hall, G108) or 804.594.1480 (Midlothian Campus, Hamel Hall, H206).
