- NOTES:
- Students are strongly encouraged to complete their SDV, ENG, and MTH requirements first.
 - Students may elect to take MTH 170 and MTH 157 or MTH 163 and MTH 157 as minimum preparation for transfer. [Students interested in science, technology, engineering, and math (STEM)-related transfer degrees should consider taking MTH 163 and MTH 164 to fulfill their math requirements. STEM students who need to complete developmental math modules 6 – 9 may elect to take MTH 158 instead and use it as a prerequisite for the MTH 163 course]
 - Students must demonstrate competency in a foreign language through the 202 level by completing appropriate courses and/or examinations. Placement in foreign language is by SAT II Subject Test score or departmental recommendation. Students who are not required to take introductory-level courses should substitute other approved transfer electives especially in the disciplines of English and CST. Those students planning to transfer to VCU should take ENG 210 as one of their electives. It is recommended that students review the requirements for an English major at their prospective four-year institution.
 - The laboratory science requirement can be satisfied by the following courses: BIO 101, BIO 102, BIO 110, BIO 120, CHM 101, CHM 102, CHM 111, CHM 112, ENV 121, ENV 122, GOL 105, NAS 125, PHY 101, PHY 102, PHY 150, PHY 201, PHY 202, PHY 241, and PHY 242. Two different science disciplines are recommended and are even required at some transfer institutions.
 - It is recommended that the HIS requirement include United States History and History of Western or World Civilizations. Students should consult prospective four-year institutions.
 - Consult with prospective four-year institution regarding a requirement for philosophy and/or religion.
 - The social/behavioral science elective can be satisfied by courses with the following prefixes: ECO, GEO, PLS, HIS, PSY (except PSY 100), and SOC.
 - Students transferring to Virginia State University should take ITE 200. The computer literacy requirement also can be satisfied by CLEP examinations.
 - Students should regularly meet with their faculty advisor and check their advisement report in MyTyler – SIS.
