NOTES:

- Students are strongly encouraged to complete their SDV, ENG, and MTH requirements first.
- This program is not intended for transfer. Students desiring to transfer should consult their academic advisors and their intended transfer institutions for specific direction in program and course selection. Required courses for any major at four-year institutions may vary.
- The humanities elective must be satisfied by completing one 3-credit conceptual humanities course. See web site (www.jtcc.edu/humanitieselectives) for a list of approved conceptual and applied humanities electives.
- The lab science elective requirement can be satisfied by courses with the following prefixes: CHM and PHY.
- The social science elective requirement can be satisfied by courses with the following prefixes: ECO, GEO, HIS, PLS, PSY, and SOC.
- Students should regularly meet with their faculty advisor and check their advisement report in MyTyler – SIS.
- Courses noted as Fall only or Spring only are based on historical trends and current planning and may change without notice.
- Building Construction Technology Certificate is earned by completing the listed courses and a technical elective from the listed ARC or MEC courses.
