### NOTES:

1. To achieve American Welding Society SENSE certification, the student must successfully complete workmanship samples and weld tests throughout the program.
2. Students should regularly meet with their faculty advisor and check their advisement report in MyTyler – SIS.
3. Courses noted as Fall only or Spring only are based on historical trends and current planning and may change without notice.
4. The SAF 130 class will be waived with a prior OSHA 10 or 30 certification. Proof of successful completion with a valid OSHA issued card will be required.
