NOTES:

1. CHD 165 is a practicum class that requires students to observe young children and participate in an approved early childhood setting for 40 hrs throughout the semester.
2. To enroll in CHD 165 students must have a declared early childhood major and complete a TB screening, a criminal background check and a sex offender registry check, as a condition of placement in a practicum site. Students are expected to cover all costs for these procedures.
3. Students should regularly meet with their faculty advisor and check their advisement report in MyTyler – SIS.
