<b>Total Minimum Credits to Complete</b>	<b>62</b>			

### NOTES:

1. CHD 165, CHD 265 and EDU 200 are practicum classes that require students to observe young children and participate in approved early childhood settings for 40 hours each. CHD 165 and EDU 200 must be taken before CHD 265.
2. To enroll in CHD 165, EDU 200 and CHD 265 students must have a declared early childhood major and complete a TB screening, a criminal background check and a sex offender registry check, as a condition of placement in a practicum site. Students are expected to cover all costs for these procedures.
3. Courses noted as Fall only or Spring only are based on historical trends and current planning and may change without notice.
4. Students should regularly meet with their faculty advisor and check their advisement report in MyTyler – SIS.
