ADDITIONAL INFORMATION:

1. General education courses and prerequisite courses can be taken in any order.
2. Completion of the general education, FNS 110, FNS 121 and CHM 110 courses does not guarantee full admission to the Funeral Services Program (see admission requirements above).
3. FNS 270 and FNS 290 can only be taken in the last semester. Students must have approval to take these courses from the Funeral Services Program department chair.
4. In order to receive the Funeral Service license in the Commonwealth of Virginia, an individual must:
 - Complete an accredited program of mortuary science or funeral services;
 - Pass the National Board Examination for funeral services as administered by the International Conference of Funeral Service Examining with a minimum score of 75 on the Arts Section and 75 on the Science Section. ;
 - Complete a 3000-hour internship with a licensed funeral services provider in the Commonwealth of Virginia as prescribed by the Regulations of the Board of Funeral Directors and Embalmers; and
 - Pass the Virginia State Board Examination after completing the educational requirements, the internship, applying and being approved by the Board.
