NOTES:

1. Students are strongly encouraged to complete their SDV, ENG, and MTH requirements first.
2. Students should consult with their academic advisor and check with prospective four-year institutions to determine best options for transfer.
3. Some transfer institutions/majors require that students have a foreign language proficiency through the 102 level. Students who took 3 years of the same foreign language in high school may be exempt from this requirement. Native/fluent speakers may enroll directly into SPA or FRE 102. Please check with your faculty advisor to determine if your transfer institution requires a foreign language and/or if you wish to take a language other than Spanish or French.
4. Students must complete a minimum of 60 credits to earn an associate degree.
5. Students should regularly meet with their faculty advisor, confirm requirements at desired four-year institution, and check their advisement report in MyTyler – SIS.
