NOTES:

1. Students are strongly encouraged to complete their SDV, ENG, and MTH requirements first.
2. Students should consult with their academic advisor and check with prospective four-year institutions to determine best options for transfer.
3. Students who completed three years of the same foreign language in high school have met the foreign language requirement and must take two courses from the **Elective** options instead of SPA or FRE 101-102. Heritage or conversationally fluent speakers may enroll directly into FRE or SPA 102. Please check with your advisor to determine the best option(s) for course substitution or if you wish to take a foreign language other than Spanish or French.
4. Students should regularly meet with their faculty advisor, confirm requirements at desired four-year institution, and check their advisement report in MyTyler – SIS.
