## NOTES

1. Students are strongly encouraged to complete their SDV, ENG, and MTH requirements first.
2. **General education** and **major** degree requirements will vary by institution and by program. Students must meet with their academic advisor to determine the best choices for transfer. Please note that some course options will have prerequisites. Note also that some four-year programs require a foreign language.
3. Students transferring to programs that require a foreign language should enroll in the highest-level foreign language course for which they are prepared. Heritage or conversationally fluent speakers may enroll directly into 102. Please check with your advisor to determine the best option(s) for course substitution or if you wish to take a foreign language other than Spanish or French.
4. CST 136 Theatre/Musical Theatre Workshop focuses on the major Fall or Spring production. Because each production is unique and provides requisite experience/portfolio material, students may take the course more than once for credit.
5. Students should regularly meet with their faculty advisor and check their advisement report in MyTyler – SIS.
